Re: July Recap

Date: August 19, 2021

We have been really busy the last four weeks. We have had outings and tournaments every week. Unfortunately, last week we had two outings rained out due to over five inches of rain. The creek had come out of its banks. Both outings were able to reschedule. We had the Pepsi Better Ball last weekend. The flight winners were: Championship-Josh Borchardt-Michael Merrick, First-Alex Thorson-Zack Thorson, Second-John Demblon-Brian Stout, Third-Brady Nelson-Connor Ault, Fourth-Joe Cornwell-Mike Wildman. We have another busy weekend with outings Friday through Sunday
